

## **How to place a bid**

Interested parties should contact LJS&C Executive Director Diane Salisbury to confirm the current top bid and to make a pledge. The opening bid is \$15,000. All bids above that amount must be made in \$1000 increments. Bidder names will be kept confidential.

Bids will be accepted through March 31, 2010 or until a top bid of \$25,000 is received and accepted, whichever comes first. If more than one bid of \$25,000 is received, the final decision will rest with Dr. Jim Swift after interviewing the candidates. *The winning bid is contingent upon Dr. Swift's interview and acceptance of the candidate.*

### **A couple of notes:**

- Your donation may be fully tax-deductible, as the volunteer will be providing work services as a research assistant in exchange for room and board. Please consult your tax advisor.
- Candidate will be responsible for arranging his/her own travel to and from Anchorage, Alaska.

## **To make a pledge**
